

Adding a new tile to your Glow LaunchPad

If you need an App Tile adding to your LaunchPad do the following:

1. Select App Library
2. Type in part of the App name, e.g. Mail, Teams, Show My Homework, etc. in the search box at the top right.

3. Click on the tile you want and select "Add to my LaunchPad" E.g.

4. Finally, if you go back to your own LaunchPad, you will see the Tile.
